

PERFORMANCE

The Performance module allows online and mobile management of driver performance and risk.

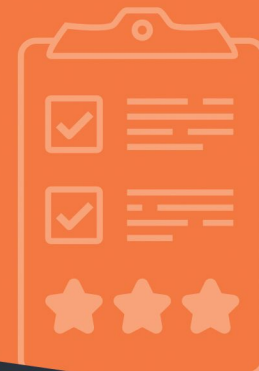

ELECTRONIC DRIVER DEBRIEF

Drivers respond and verify by electronic signature, meaning a paperless and quick debrief process. Drivers and managers do not always have to be together and actions can be resolved remotely.

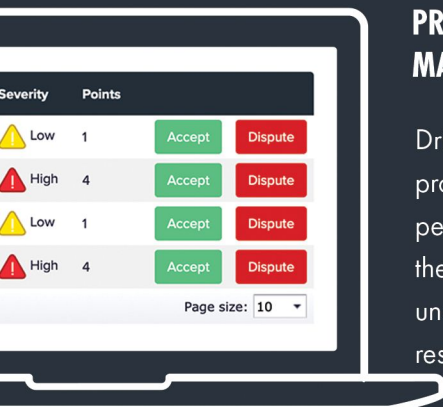

PRIORITISE BY EXCEPTION

Feedback response times are dramatically cut between driver and management.

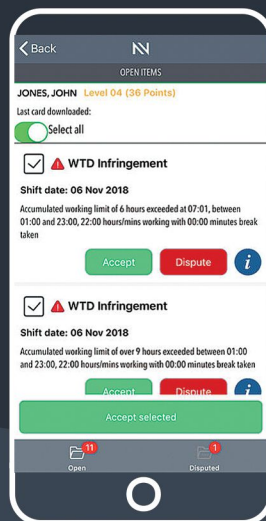

PROACTIVE MANAGEMENT

Drivers and managers can proactively manage performance issues as soon as they occur, allowing them to be understood, addressed & resolved effectively.

TWO-WAY INFRINGEMENT RESOLUTIONS

Drivers can respond to managers on their infringements, ensuring that debriefing is completed quickly.
