

OVERVIEW

Convey is an integrated compliance platform for commercial fleets of all sizes. Convey helps drive business efficiency through single sign on accross all modules, utilising a single database and using the latest technologies with a forward thinking team.

FULLY INTEGRATED

Select individual or multiple modules to take full advantage of integration of driver and vehicle data and processes between modules.

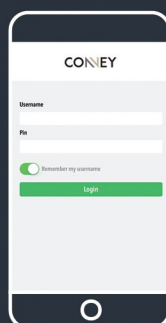

ACTIVE ALERTS

Convey provides active alerts. Receive automatic emails, text messages or App notifications and respond when exceptions arise.

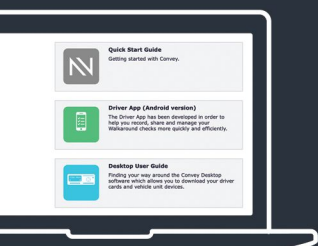

COMPLETE DATA

Continuous capture of driver and vehicle activity means complete historic data records. Use this to produce the most effective resource plans.

ACCESS ANYWHERE

Convey is online and always available. Just choose the way you login from Web, Desktop or App depending on your task or role.

NO COMPLEX I.T

Convey is cloud based, minimising complexity and IT overheads and simplifying backup, security and management.
